THE IRISH PAPER MILLS CO., CLONDALKIN, ASK EVERYBODY TO

It is not only the patriotic duty but is in the individual interests of every man, woman, and child in the country to collect every available Scrap of Paper, so that the Irish Paper Mills may be kept running through this time of shortage of paper-making materials.

THE IRISH PAPER MILLS COMPANY guarantee that packs will be supplied and maximum prices fixed by the Government paid by their Contractors, Messrs. M. Duan and Co.

BANKS, PUBLIC OFFICES, and BUSINESS FIRMS having large stocks of old paper should get rid of it now, as the shortage of paper-making material is becoming very acute, and the problem is to keep Mills running.

THE IRISH PAPER MILLS COMPANY are in a position to guarantee the destruction and repulping of ALL grades of paper, and their contractors will, if necessary, in the case of private documents, prepare the waste paper on the seller's premises and have it taken direct to the Mills and destroyed under the eye of a representative of the seller.

The minimum quantity of waste paper which can be taken in any one consignment is one cwt. Carriage on smaller quantities would be prohibitive.

Send samples, and highest prices will be quoted per return, and cash remitted promptly on receipt of goods.

Your Aim-Economy WHAT TOILET SOAP DO YOU USE?

Of course, this is one of the small items of household management, but

Particularly in these times you require a soap which, while not expensive, can be absolutely relied upon; and all you lay out on Toilet Soap should be invested in the Soap itself, but not in expensive boxes and wrappers—pretty to look at but of

You must have a soap which will suit you, which will not act harshly on the skin, but is emollient and fragrant. We claim all these points for

BARRINGTON'S "COMPLEXION TOILET SOAP"

We guarantee the soap to be made from choicest materials only, and to contain nothing injurious to the most tender skin. The series comprises an assortment of perfumeries which gives the widest choice.
